

# IEP Goal Writing Template

**Step 1: What is the need/skill from the PLAAFP you want to address?**

**Step 2: Write a simple positive statement of what you'd like your child to be able to do in a year.**

**Step 3: Where does your student need to be able to do this skill?**

**Step 4: What is the minimal amount of supports your child will need to do that skill in a year?**  
(supports that your child needs to learn it can be put into the objectives)

**Step 5: What school staff needs to help teach this skill?**

**Step 6: How well does your child need to be able to do this in order to say he's mastered it?**

**Step 7: Put it all together.**
